

Job Opportunity: Keys for Success, LLC

Job Title: Music Therapist

Start Date: Immediate start date

Hours: Full-time caseload (part-time hours also available)

Salary: Very competitive hourly wage based on experience; benefits include flexible hours, paid time off, paid holidays, retirement plan and health/dental insurance, CBMT maintenance fee, and yearly continuing education reimbursement

Qualifications: Applicant must be a board certified music therapist with reliable transportation; 1-2 years experience preferred

Location: Madison, IN

Description: Come join our team of creative and passionate music therapists! Keys for Success is a music therapist-owned company based in Cincinnati, OH with 10 music therapists providing services for individuals with autism and intellectual disabilities. This dynamic position serves individuals on the Medicaid Waiver and will serve individuals in the Madison, IN and Vevay, IN areas. This is the perfect position for someone living in the southern Indiana or northern Kentucky area! Position may also be split if candidate is only interested in one area.

Applicants for the position must possess self-motivation, strong organizational skills, ability to independently manage a caseload, accomplished documentation skills, advocacy and leadership skills, and a passion and eagerness to serve individuals with disabilities.

Job requirements include: completing initial assessments and treatment plans, providing ongoing weekly individual and group sessions (mostly in-person with a few telehealth sessions), completing weekly documentation and quarterly reports, attending Keys for Success' team meetings, innovating and creating new program offerings, and active participation on interdisciplinary teams.
